Exceptions to the Access to Care Standards

Preventive Care Services and Periodic Follow Up Care: Preventive care services and periodic follow up care are not subject to the appointment availability standards. These services may be scheduled in advance consistent with professionally recognized standards of practice as determined by the treating licensed health care provider acting within the scope of his or her practice. Periodic follow-up care includes but is not limited to, standing referrals to specialists for chronic conditions, periodic office visits to monitor and treat pregnancy, cardiac or mental health conditions, and laboratory and radiological monitoring for recurrence of disease.

Interpretation Services for Patients with Limited English Proficiency (LEP)

Language interpretation service is offered to patients with limited English proficiency, even when there is a family member or friend who can provide the interpretation. Use of family members or friends for interpretation is discouraged. Language interpretation service is offered at **NO COST** to members.
